MENTERI PENDIDIKAN MALAYSIA

Assalamualaikum warahmatullahi wabarakatuh, salam sejahtera dan salam Malaysia MADANI. Warga pendidik, warga sekolah, murid-murid dan ibu bapa yang saya kasihi,

Pendidikan yang bermakna lahir daripada perancangan serta visi yang teliti, pelaksanaan yang berfokus dan nilai kemanusiaan yang memandu setiap langkah. Dalam konteks ekosistem pendidikan di peringkat sekolah, pendidikan bukan hanya berlaku di bilik darjah, tetapi tumbuh melalui budaya ilmu, hubungan kemanusiaan dan kerjasama seluruh warga sekolah. Justeru, penerbitan majalah sekolah merupakan cerminan perjalanan sebuah komuniti pendidikan, rakaman iltizam guru yang membimbing, usaha murid yang tidak pernah mengenal penat serta sokongan ibu bapa dan komuniti dalam membentuk masa depan negara. Tahniah dan syabas kepada Sidang Redaksi atas usaha gigih menerbitkan majalah sekolah ini. Semoga majalah ini menjadi dokumen sejarah yang menyimpan memori, membina inspirasi dan menyebarkan nilai pendidikan yang bermakna kepada generasi akan datang.

Tahun 2025 membuka lembaran baharu dalam usaha memajukan sistem pendidikan negara. Reformasi Pendidikan kini memasuki fasa pengukuhan melalui agenda Reformasi Sekolah yang menumpukan kepada kemenjadian murid secara menyeluruh serta pembangunan sekolah sebagai ekosistem yang hidup, manusiawi dan berdaya tahan. Pendekatan ini memberi tumpuan kepada pengupayaan sekolah mengikut keperluan sebenar masing-masing melalui tiga kategori pembangunan, iaitu Sekolah Fokus, Sekolah Aspirasi dan Sekolah Inspirasi. Reformasi ini mengiktiraf potensi setiap sekolah untuk maju melalui usaha yang bersasar, terancang dan progresif.

Tahun ini turut mencatat detik penting dalam sejarah pendidikan negara dengan pelaksanaan Rang Undang-undang (RUU) Pendidikan (Pindaan) 2025 yang memastikan setiap anak di Malaysia mendapat pendidikan wajib sehingga peringkat menengah. Usaha ini mencerminkan komitmen terhadap hak kemanusiaan, keadilan sosial dan masa depan negara. Akses kepada pendidikan merupakan tanggungjawab bersama dan Kementerian Pendidikan melaksanakan intervensi secara konsisten dan sistematik bagi menangani isu keciciran yang bersifat pelbagai dimensi, termasuk faktor kemiskinan, geografi, psikososial dan kekangan keluarga.

Pada masa sama, kita melangkah ke arah pendidikan masa hadapan melalui fasa transisi Pelan Pembangunan Pendidikan Malaysia (PPPM) 20262035 dan Kurikulum Persekolahan 2027. Reformasi ini membentuk sistem pendidikan yang lebih dinamik dan relevan, namun tetap berpaksikan Falsafah Pendidikan Kebangsaan (FPK).

Dalam perjalanan pendidikan negara, kita sadar bahawa sekolah tidak boleh bergerak sendirian. Seperti yang sering diungkapkan, "It takes a village to raise a child". Justeru, setiap sekolah harus berkembang sebagai sebuah ekosistem yang hidup. Matlamat kita bukan sekadar melahirkan murid yang cemerlang dalam peperiksaan, tetapi insan yang beradab, berakhlak, mempunyai empati, menghormati perbezaan dan bertanggungjawab kepada masyarakat. Inilah asas pembentukan Generasi MADANI yang kita impikan. Kejayaan pendidikan memerlukan kebersamaan seluruh komuniti. Guru memimpin dengan bimbingan, ibu bapa mendidik dengan kasih sayang dan komuniti menyokong dengan kebersamaan.

Akhir bicara, setinggi-tinggi penghargaan kepada semua warga pendidikan yang telah berbakti dengan penuh amanah. Setiap insan di sekolah memainkan peranan bermakna dalam membina kecemerlangan pendidikan. Guru besar memimpin arah, guru membimbing dengan kesabaran, pengawal keselamatan memastikan kesejahteraan, pekerja kebersihan menjaga persekitaran yang selesa dan pengusaha kantin menyediakan rezeki harian murid. Kesepaduan inilah yang menjadikan sekolah sebuah keluarga besar yang bersama-sama membina harapan, impian dan masa depan generasi. Semoga usaha bersama ini terus menyemarakkan kecemerlangan pendidikan dan melahirkan Generasi MADANI yang berilmu, berakhlak, berjati diri dan berbakti kepada agama, bangsa dan negara. Dengan tekad yang padu dan semangat yang tidak pernah luntur, insya-Allah masa depan pendidikan negara akan terus gemilang. YB FADHLINA SIDEK Menteri Pendidikan.

KETUA PENGARAH PENDIDIKAN MALAYSIA

Assalamualaikum Warahmatullahi Wabarakatuh, Salam Sejahtera dan Salam Malaysia MADANI.

Pertama sekali, saya ingin merakamkan setinggi-tinggi penghargaan kepada pihak sekolah atas usaha murni menerbitkan majalah sekolah bagi tahun 2025 ini. Majalah sekolah bukan sahaja menjadi wadah untuk merakamkan kenangan, malah turut berperanan sebagai medium penting dalam menyampaikan aspirasi pendidikan dan membudayakan ilmu dalam kalangan warga sekolah.

Tahun 2025 merupakan satu fasa penting dalam landskap pendidikan negara. Kita sedang berada dalam era di mana reformasi pendidikan menjadi tonggak utama ke arah melahirkan Generasi MADANI yang berdaya saing, berfikiran kritis, dan memiliki adab, akhlak dan sahsiah terpuji. Dalam konteks ini, kerjasama erat antara guru, murid, ibu bapa dan komuniti amatlah diperlukan untuk merealisasikan hasrat ini.

Majalah sekolah ini menjadi cerminan usaha sekolah dalam mendidik dan melahirkan insan yang holistik dalam aspek akademik, kokurikulum, dan sahsiah. Saya percaya setiap artikel, gambar, dan kisah yang dimuatkan dalam majalah ini adalah hasil kerja keras, komitmen, dan kreativiti warga sekolah. Ini menjadi bukti bahawa potensi generasi muda kita amatlah besar dan perlu terus digilap.

Saya menyeru agar warga sekolah terus berusaha gigih dalam menjayakan agenda pendidikan negara. Besar harapan saya agar semua murid menjadikan pendidikan sebagai kunci kejayaan dalam hidup. Teruskanlah menimba ilmu, amalkan nilai-nilai murni, dan menghargai jasa guru yang tidak pernah jemu mendidik.

Akhir kata, saya mengucapkan tahniah dan syabas kepada semua pihak yang terlibat dalam penerbitan majalah ini. Semoga ia menjadi inspirasi dan rujukan berharga kepada seluruh warga sekolah serta generasi masa hadapan.

Sekian, terima kasih.

KETUA PEGAWAI EKSEKUTIF IIUM SCHOOL

In the name of Allah, Most Gracious Most Merciful. Salawat and Salam to our beloved Messenger Muhammad Peace Be Upon Him. Assalamualaikum Wrt. Wbt.

Congratulations to Sekolah Menengah Setiabudi and its Editorial Board on the successful publication of Paradigma Volume 18 (2025). This edition holds special significance as we proudly celebrate 20 Years of Excellence – Sekolah Menengah Setiabudi's 20th Anniversary (2005–2025).

Twenty years ago, the school began with a bold vision – to establish a modern Islamic institution that nurtures knowledge, character, and leadership. Today, we stand tall as a thriving educational community that has shaped generations of students who excel academically, demonstrate admirable character, and contribute meaningfully to society.

Over these two decades, Sekolah Menengah Setiabudi has continuously evolved to meet the demands of a changing world. From strengthening academic performance to embracing digital innovation and holistic development, the school has remained committed to excellence. Paradigma Volume 18 beautifully captures this journey – the milestones, the achievements, the challenges overcome, and the spirit that defines Setiabudi.

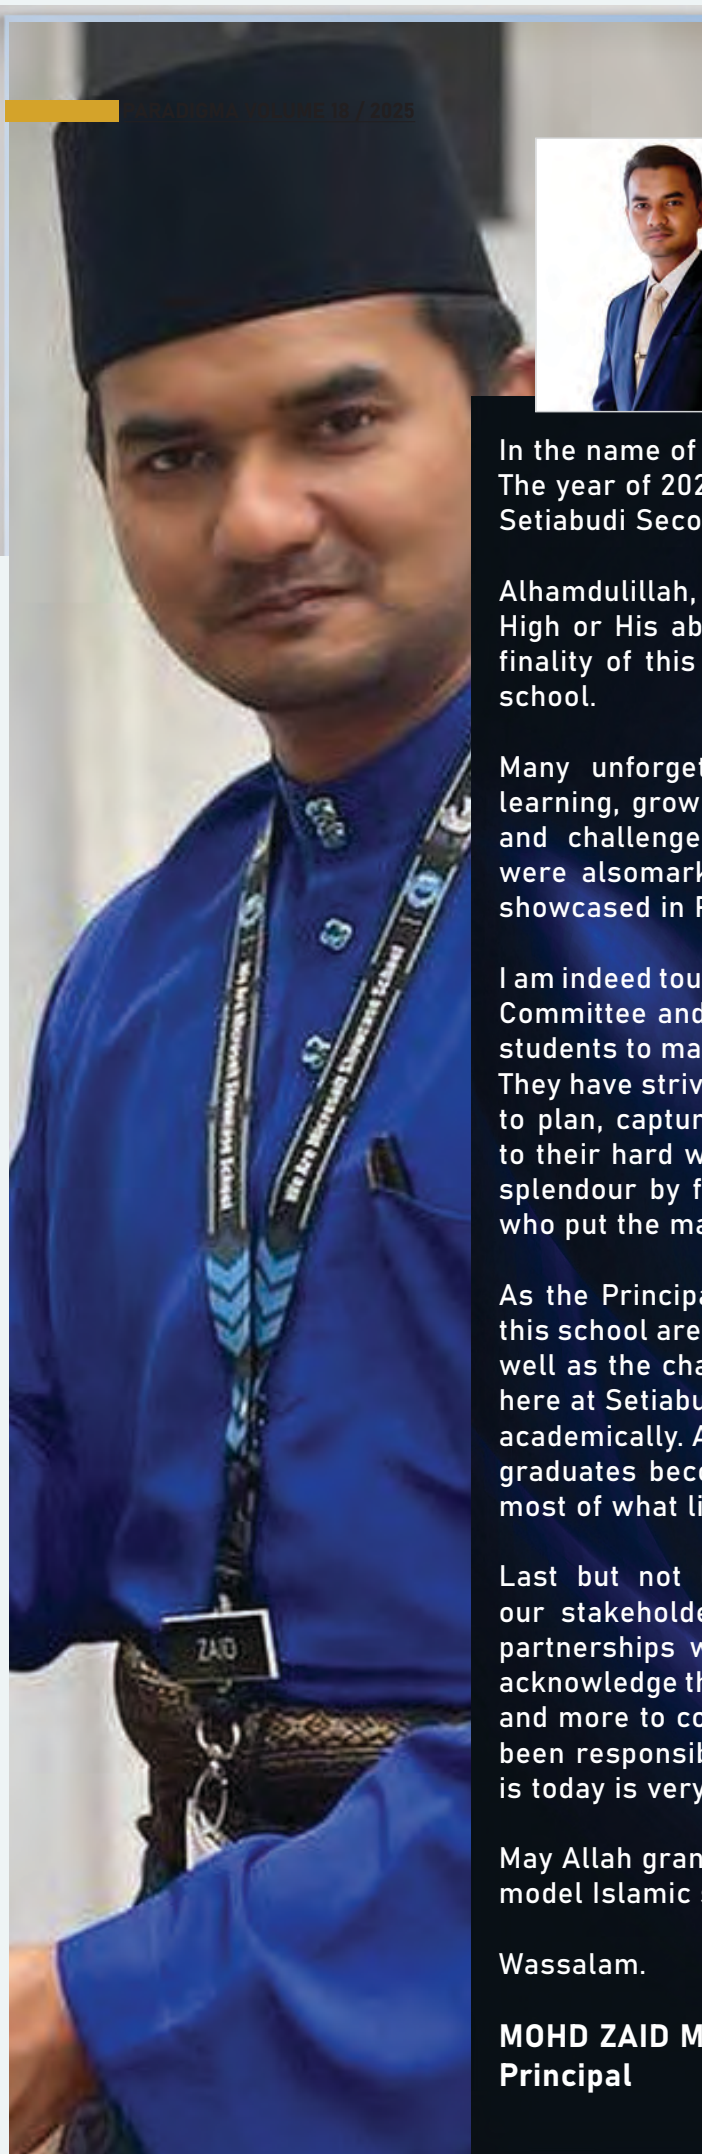

Heartfelt congratulations to Sekolah Menengah Setiabudi for achieving the MSS Award for the fourth consecutive year. This remarkable accomplishment reflects SBM's strong commitment to excellence and demonstrates that the school is consistently one step ahead in embracing digital learning and educational innovation.

Our sustained academic accomplishments, dedication of teachers, and strong partnership with parents reflect the resilience and unity of our community. As we celebrate this 20-year milestone, we are reminded that success is not measured merely by results, but by the values we uphold and the lives we transform.

Guided by the Khalifah framework—K for Knowledgeable, H for Humanistic, A for Amanah, L for Leadership, I for Innovative, F for Future-Ready, A for Adab, H for Holistic—we reaffirm our mission to nurture balanced individuals who are intellectually, spiritually, emotionally, and physically empowered. This 20th Anniversary is not only a celebration of the past, but a declaration of our future.

20 Years Strong – Moving Forward with Vision, Purpose, and Excellence. As we enter the next chapter of our journey, let us continue to push boundaries, raise standards, and inspire generations to come. May Sekolah Menengah Setiabudi remain a beacon of quality education and a source of pride for the ummah. May Allah guide and bless our efforts as we strive for greater heights. Amin. Wassalam.

PENGETUA SEK. MEN. SETIABUDI

In the name of Allah, the Most Gracious, Most Merciful. The year of 2025 has been a very challenging yet exciting for everyone in Setiabudi Secondary School.

Alhamdulillah, no sufficient words can express my gratitude to Allah Most High or His abundant blessings and guidance that led to the wonderful finality of this academic year. A lot of interesting events took place at school.

Many unforgettable moments were created by the Setiabudians in learning, growing, and exploring life and studies. Despite the struggles and challenges faced throughout the year, a plenty of achievements were also marked in this year. All these accomplishments are proudly showcased in Paradigma 2025.

I am indeed touched by the devoted efforts shown by the school's Magazine Committee and Editorial Board, consisting a few dedicated teachers and students to make the publication of this annual school magazine a reality. They have strived since the beginning of the year until the closure of 2023 to plan, capture and review all the events and their mementos. Thanks to their hard work, we are able to reminisce those memories and all its splendour by flipping the pages of Paradigma 2025. Kudos to everyone who put the magazine together!

As the Principal, it is my aspiration to see that the students who leave this school are capable of meeting the challenges of tertiary education as well as the challenges of life itself. Thus, it is the basis of our education here at Setiabudi that our students are able to achieve their full potential academically. At the same time, we also want to truly educate, so that our graduates become a well-rounded human being, capable of making the most of what life has to offer for them.

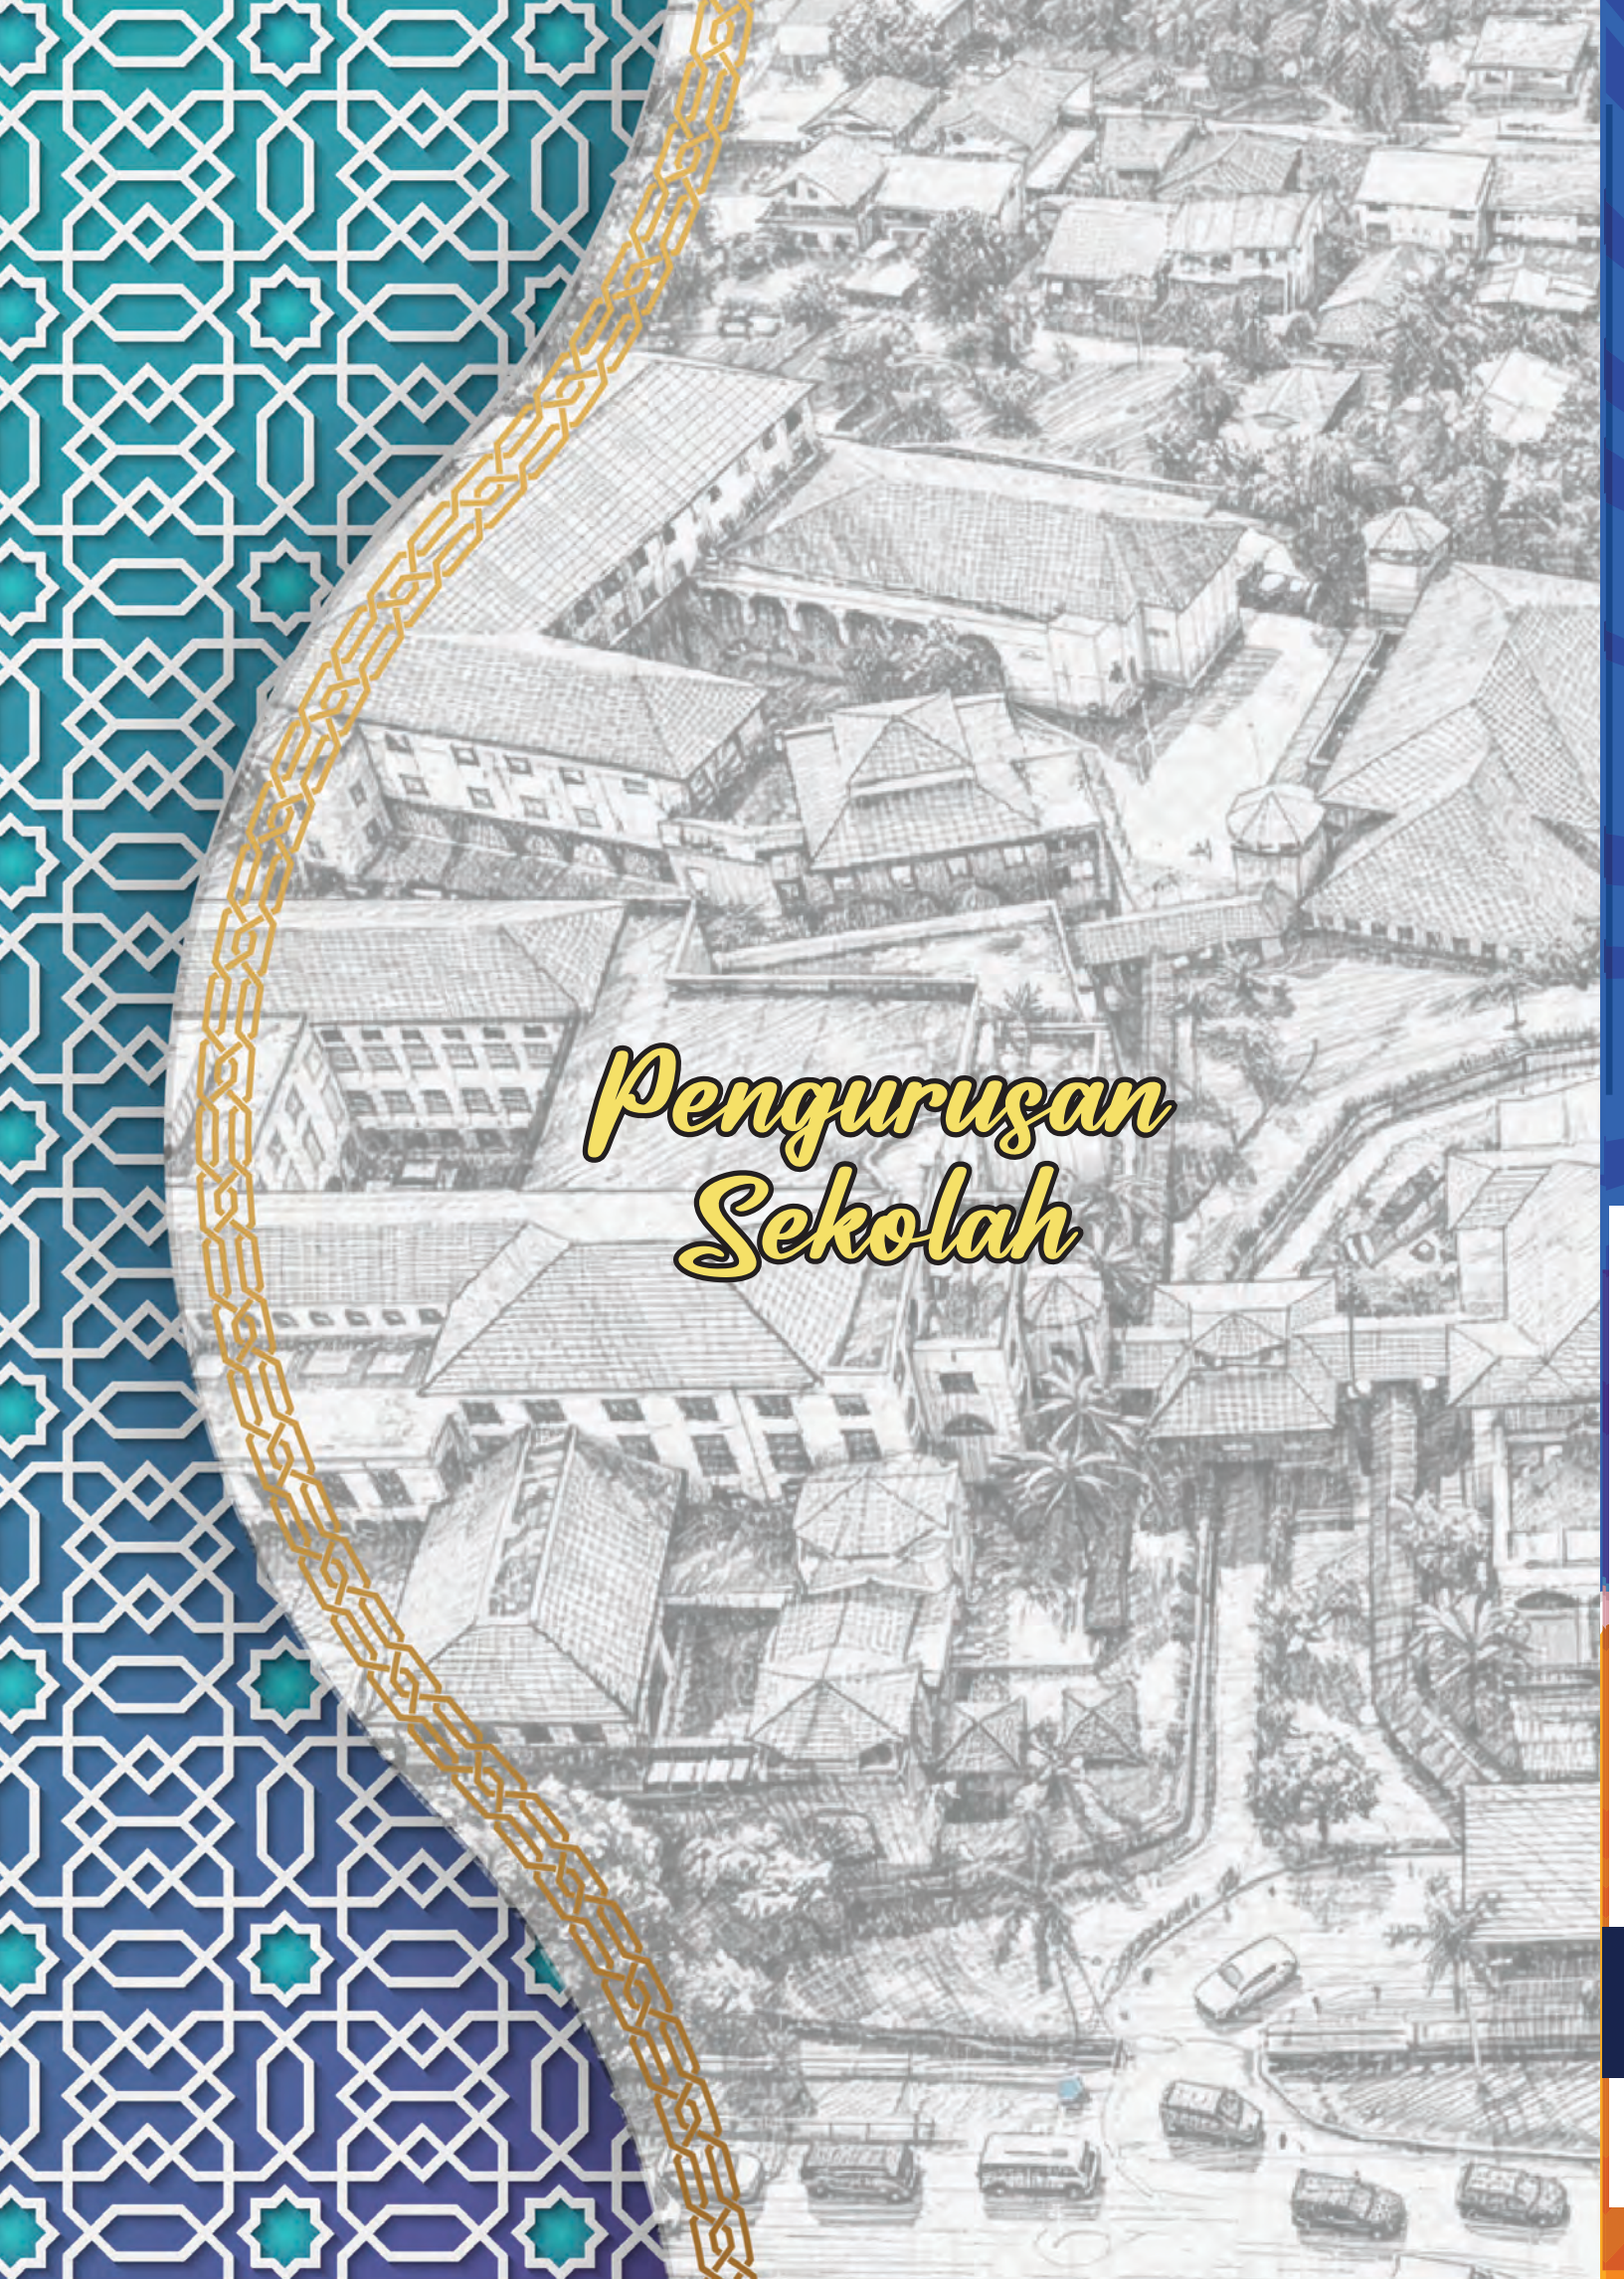

Last but not least, I look forward to continuously working with all our stakeholders in realising our dreams. We are banking on strong partnerships with parents and our community. We value, celebrate and acknowledge this partnership as it has shown tremendous success before and more to come. The dedication and enthusiasm of all those who have been responsible in establishing and transforming the school to what it is today is very much acknowledged.

May Allah grant us guidance in strengthening this school and making it a model Islamic school for the Ummah.

Wassalam.

The image features a detailed black and white aerial illustration of a school campus. The campus includes several large buildings with tiled roofs, a central courtyard, and a parking area with several cars. The illustration is overlaid on a decorative background that transitions from a light blue to a dark blue, featuring a repeating geometric pattern of interlocking lines and star shapes. A thick, golden-yellow chain-like border runs diagonally across the right side of the image, separating the illustration from the patterned background.

SPM 2024

Bismillahirrahmanirrahim,
Assalamualaikum Warahmatullahi Wabarakatuh dan Salam Sejahtera.

First, I thank Allah for granting me strength in moments of weakness, clarity in moments of confusion

and patience in moments when giving up felt easier. Every step of this journey, both the hardships and the joys were unfolded by His will and for that I am eternally grateful.

"There's a million things I haven't done, but just you wait." Lin-Manuel Miranda wrote these words for Alexander Hamilton but I have whispered them to myself more times than I can count.

For those reading right now, let me tell you about my journey before I got the chance to hold that 11A signage. This achievement was not built on perfection.

It was shaped by moments of doubt and failures that quietly taught me resilience. As I once struggled to sketch a sigmoid curve on paper, I learned that achievements are sweeter only after one has endured hardship—after one has tasted bitterness.

For me, that bitterness was those nights when doubt swore violently under my breath. Therefore, I am thankful to each soul that has walked this path with me and believed in me even when I did not.

To Mama, Abah and my beloved sisters, Every certificate I received was never solely the result of my own hard work. They are built upon your midnight prayers, unwavering support, quiet sacrifices and unconditional love that have guided me to

this moment. Without all of you standing beside me, this achievement would not carry the same meaning, nor would it feel as fulfilling as it does today.

To my teachers and friends,
Thank you for not only imparting knowledge but for

shaping my heart and mind with compassion. I sincerely seek your forgiveness for my shortcomings and I humbly ask that you keep me in your prayers. To my friends, thank you for offering me a shoulder when the path grew rocky. I would give anything to return to the days when we were still kids—laughing until tears fell, unaware of how precious those moments truly were.

To my juniors, enjoy high school to the fullest but never lose sight of the dreams you carry. Give everything you have, so that when you finally close this chapter, you can look back with peace knowing you tried your best. SPM may not define your entire life, but it is a part of your story.

Finally, to my dear self. Be whoever you wish to become but do not forget the moments in between that shaped you into who you are today. There are still a million things you have not done but now you

move forward knowing that perseverance can turn dreams into reality. At the end of the day, it is me my and “ “ we sit in silence.

Thank you,
Nurin Aqeelah Binti Mohd. Asri

SPM 2024

Assalamualaikum warahmatullah wabarakatuh,

First and foremost I am truly honoured to receive the School Sportsman of the Year award.

Sports have taught me that success is earned through discipline and sacrifice every challenge made me stronger, and every setback taught me never to give up.

A true athlete is not defined by trophies, but by heart, character, and the ability to inspire others.

Olahragawati 2024

SPM 2024

Assalamualaikum warahmatullah wabarakatuh,

To start off, I would like to express my deepest gratitude to my coach, whose guidance and encouragement shaped me into the athlete I am today. I am also thankful to my teammates who stood beside me, trained with me, and shared both victories and defeats.

This victory is more than a trophy or a title. It is a reminder that success comes from perseverance, teamwork, and self-belief. Being a sportswoman has taught me discipline, leadership, and the importance of never giving up, both on and off the field.

The path to success was not always easy. There were days of intense training, moments of exhaustion, and times when I doubted my own abilities. However, I learned that challenges are not

obstacles but opportunities to grow stronger. Each setback taught me resilience and pushed me to work even harder.

I will always miss this moment. Farewell Setiabudi.

Alhamdulillah, setinggi-tinggi kesyukuran saya panjatkan ke hadirat Allah SWT atas limpah rahmat dan keizinan-Nya, saya telah dipilih menerima penganugerahan Tokoh Guru Tahun 2025. MERDEKA

Merdeka...

Negaraku sudah Merdeka buat 67 tahun

Sudah matang dan sudah maju
Namun dengan setiap detik yang tekun

Semakin pudar semangat membara yang padu,

Merdeka...

Kita menuju ke sebuah kemajuan
Tetapi lupa akan maruah yang dikendong

Sehingga jahil akan maruah yang berciciran

Malah ada bertambah bongkak dan sombong,

Merdeka...

Apa jadi akan semangat Merdeka?
Senyum kesyukuran hilang sudah?
Pejuang bangsa dibuang kemana?
Kesenangan berlebihan hanya membawa padah,

Merdeka...

Tanggal 31 Ogos 1957 negaraku dibentuk

Bangsa merdeka itu sepatutnya bijak
Namun sekarang semakin bertambah sikap terkutuk
Membiarkan yang baik dipijak-pijak,

Merdeka...

Cukupkah bagi kita sekadar menuju kemajuan?

Tidak sedarkah tanah yang bersisa

telah digadaikan?

Pesta temasya yang ghairah diadakan

Cukup fahamkah kita dengan erti kemajuan?,

Majukah negara yang berteknologi canggih?

Majukah negara berbangunan tinggi?

Cukup majukah negara dimana agama dialih-

Diletakkan di sebelah keringnya perigi

Mengharapkan Ehsan seorang manusiawi,

Cukuplah.

Sampai bila kita hendak lalai?

Tahukah Merdeka itu suatu Amanah?

Perisai jati diri hancur tersepai

Padamkan kesan arang di wajah,

Jangan biarkan laungan Merdeka-

Hanya sekadar bunyi di mulut

Jadikannya semangat tanpa luput

Laungan mulia;

MERDEKA!

MERDEKA!

Merdeka!

merdeka!

merdeka

merdeka....

MERDEKA

SO I WENT TO

THE GUTTERS

So I Went to The Gutters
So I went to the gutters, where all
men went to hide,
I hear all the mutter-ing of men who
lost all their pride.

They sing of their woes, covered in
gold,
Like all stories goes, only covert is
sold.

They bragged of their trophies, and
all they've won,
The head of their enemies, and blood
off their swords,

The hair that they've kept, though no
longer there,
With heirs of their foes, in silence
well-kept,

Oh, the lyres they've broken cause of
a children's song,
The mothers framed as liars, for
raising wrong,

Their judgements are quick, she's
brought to the wringer,
Although mercy's a pick, but it's to let
them ring her.

They play this game, where they
always win,
They sway this shame, to us by all
means...

But,
Where there is a mother, there is a
father,
Where there is a wife, there is a
husband,
Where there is a daughter, surely
there's a father
When you've destroyed a life, surely
there is an avenger.

Their judgements are quick, they're
toss to the wringer,
But mercy's not a pick, in the heart
filled with anger

"You've played this game, where you
always win."
"But now we shall sway this shame,
to them by all means."

Like the spreading of fire, like a
baby new-born,
The men are stripped of their dire,
like rose without their thorns.

They clutter the alley, gone is their
bold,
Their voices just echoes of stories
retold.

Forgotten and shamed for the lives
they've burnt.
"Curious?" you ask, that's what I
heard they all turned.

An aerial sketch of a village with traditional houses, palm trees, and a road with cars. The sketch is in black and white with some grey shading. The houses have tiled roofs and are arranged in a cluster. There are palm trees scattered throughout the village. A road with several cars is visible at the bottom of the sketch. The sketch is overlaid on a blue background with a white geometric pattern. A yellow chain-like border separates the sketch from the pattern.
